Town of Buffalo Emergency Operations Plan – Volunteers Needed

The Town Board is in the process of creating a plan to respond to emergencies which may occur within our town. The recent natural disasters which occurred in Marquette County have demonstrated that we are ill-prepared to respond to an emergency in our area. We are requesting that residents of the Town participate by volunteering their time and efforts should an emergency situation arise.

Volunteers are needed for various tasks, such as assisting with communications, traffic control, filling sand bags, coordinating with state and county emergency responders, and providing assistance to senior citizens, the handicapped or injured residents. Residents with ham radio equipment and first aid training are especially encouraged to volunteer.

Please contact Gene Mucciolo at (608) 429-2302, or email at gene@mucciolo.net for more information.
